Recap of October's Meeting

Thanks to all who attended our October meeting where we expressed our appreciation to Don Barron for the many years he contributed to Parkinson's Disease Support. It was good seeing some faces there we have been missing over the past couple of months.

Recap of October Meeting *(From Page 1)*

Becky Dunlop, RN, BSN, from Johns Hopkins Medical, the nurse coordinator who supports our group, also held a "question and answer" session and spoke about the upcoming Parkinson's Symposium to be held in Martinsburg, WV on November 12th.

Becky also thanked Don Barron for his service over the years and presented him with a potted plant arrangement.

Art Guyer presented Don with a large clock and engraved plaque recognizing him for his service and for establishing our group 27 years ago.

Enjoy the photos.
